WELCOME TO STONEFIRE GRILL

As a family of 11, our dinner table was filled each day with large plates of simply prepared food, carefully and lovingly planned with both taste and a budget in mind. The kitchen table became our gathering place where plates and stories circled amongst us and the warmth of good food and shared conversation filled our home. At **STONEFIRE**, we use simple, fresh ingredients daily to prepare exceptionally delicious meals at reasonable prices just like families across America. **STONEFIRE** is an extension of our own family and a tribute to our mother for the meals, and especially the memories. Spend less time today in the kitchen, cherish the time spent at your table and let the FIRE spread from OUR kitchen to your heart...
